

CENTRAL INTELLIGENCE AGENCY

OLL 85-3847

Director, Office of Legislative Liaison 17 December 1985

NOTE TO: DCI

RE: SIG(I) Agenda: Responsibility for  
Report to Congress

o Intelligence Authorization Bill Conference Report contained a charge for the President to submit an interim report in 60 days on defense against intelligence activities by foreign powers both within and outside of the United States. A final report is due in 120 days.

o The interim report was requested to furnish input to the SSCI report which will summarize their series of 5 hearings on counterintelligence.

o State (Bob Lamb) has the initial action because the original HPSCI focus was on security of overseas installations. The scope of the charge to the President is broader.

o Discussion/decision is required to assign responsibility for preparing the reports, with input from the several agencies.
